

Call for papers

International Congress on Physics Espoch (ICPE) 2017 Proceedings

The Second edition of the ICPE was held in Riobamba - Ecuador, on December 2017. ICPE brought together experts from worldwide working on:

- 1) Detection methods, monitoring and uses of natural and man-made ionizing radiation;
- 2) Medical physics and radio-protection;
- 3) Micro and nanotechnology applied to chemistry, engineering and medicine;
- 4) Optics and photonics

We kindly invite the scientific community, working on these fields, to present their contributions to the ICPE 2017 Proceedings.

Each article will be peer-reviewed by members of the [Scientific Committee](#), based upon scientific and/or technical merit and relevance to the topic which is included in.

The selected papers will be published in [AIP Conference Proceedings](#); a journal specialized in conference proceedings and indexed in SCOPUS, Web of Science.

Guidelines:

All authors must send their full manuscripts to the Organizing Committee: ipce@esepoch.edu.ec, in order for the manuscripts to peer reviewed.

Manuscript templates (latex and word) can be found at <http://aip.scitation.org/apc/authors/download>.

Deadline (updated): February 18th, 2018

Additional information

All submissions should be made in English. The [templates](#) provided by AIP Conference Proceedings must be strictly respected. A minimum of 4 pages-paper is preferred.
