

CALL FOR PAPERS

The sixth edition of IEEE Ecuador Technical Chapters Meeting (ETCM) will be held on October 11th to 14th in the wonderful city of Quito in Ecuador. The ETCM conference is an opportunity for professional members, academics, researchers, and industrialists to will meet and present the developments and technological advances.

In consideration of the current situation that humanity is experiencing, especially the research community and in accordance with the request to reduce mobilization to minimize the spreading of COVID-19, the Organizing Committee of IEEE ETCM 2022, in concert with the Steering Committee and IEEE Council, has decided that the conference will run as a **hybrid conference** (i.e., using remote audio/video support and an in-person event).

The conference covers both theoretical and practical issues related to, but not limited to:

- Antennas and Propagation
- Circuits, Systems and Electronic Devices
- Communications
- Computational Intelligence
- Computer and Software Engineering
- Education in Engineering
- Engineering in Medicine and Biology
- Industrial Electronics
- Power and Energy
- Robotics and Automation Systems
- Smart Cities & Mobility
- Systems and Control
- Social issues and professional practice

IMPORTANT DATES

- Full paper submission: Jun 15th, 2022
- Notification of Acceptance: July 15th, 2022
- Final Paper Submission: August 15th, 2022

PAPER SUBMISSION

The articles must be submitted in digital format (PDF) through the paper submission page. Papers must be written **in English**. Papers must use the IEEE conference format. The maximum length is **six (6) pages** per article including illustrations and references. Each paper should indicate appropriateness for the scope of the Conference, originality and quality of the technical content, whole organization and writing style. Accepted papers will be published in the conference proceedings and submitted for inclusion in the **IEEE Xplore Digital Library**.

For each accepted paper, a least **one of the authors must register and present the paper at the conference**; no-show paper will not be submitted for inclusion in IEEE Xplore. All papers will be cross-examined using anti-plagiarism automated software tools.

Accepted papers will be published in the IEEE Xplore Digital Library. All previous ETCM editions has met the SCOPUS
